Answer: PAI was incorporated in the Commonwealth of Puerto Rico on July 23, 1999. It is and at all relevant times has been a wholly-owned subsidiary of PCSI. Charles M. Austin ("Austin") is and at all relevant times has been the President, CEO, and Chairman of the board of directors. From July 23,

The licenses and applications of Preferred Communication Systems, Inc., are associated with the FRN 0003944097, and the, and licenses and applications of Preferred Acquisitions, Inc., are associated with the FRN 0004675617.

\*\* Interrogatory Nos. 46, 48, 59, and 60 have been supplied, supplemented, and/or revised. Tables 46 and 48 have been deleted, and replaced by cross-references to Tables 38.2 and 39.2, respectively, of *Charles M. Austin's Supplemented and Revised Responses to the Enforcement Bureau's First Set of Written Interrogatories*, being served and filed concurrently in this proceeding. Otherwise, except for possible changes in formatting and pagination and correction of non-substantive typographical errors, responses herein are the same as those served on November 29-30, 2007.

1999, to May 30, 2001, Michelle Bishop was Vice President, Secretary, and a director of PAI. From May 30, 2001, to present, Linda McClain has been Vice President, Secretary, and a director of PAI.

2. *Identify all officers, directors, shareholders, and creditors of PAI at any and all times during each year from January 1, 1998, to the present. As to each such person:*
- Specify his or her office, title, or position held with PAI and dates of service in each office or position;*
  - Specify the nature and extent of his or her stock interest in PAI including percentages of ownership and voting rights; and*
  - If the person no longer is an officer, director, shareholder, and/or creditor of PAI, specify the date and reason that the person ceased being an officer, director, shareholder, and/or creditor of PAI.*

Answer: The sole shareholder of PAI is PCSI. The Answer to Interrogatory No. 1, above, is incorporated herein by this reference with respect to officers, directors, and shareholders of PAI. Michelle Bishop no longer holds her previous positions because she resigned from them as of May 31, 2001.

3. *Identify the name of all entities under which PAI has done business at any time during the period from January 1, 1998, to the present. For each such entity:*
- Specify the principal place of business;*
  - Specify the telephone number;*
  - Specify the dates of operation; and*
  - Specify the nature of such business.*

Objection: This interrogatory is vague and overbroad, and responding to it would be unduly burdensome on PAI. It seeks, without limitation, information as to any and all companies with respect to any business dealings of any nature over a nearly ten year period. Given this virtually unlimited range, the inquiry extends far beyond the scope of the designated issues. The Interrogatory thus seeks information that is neither relevant to this proceeding nor likely to lead to the production or preservation of admissible evidence. It is therefore beyond the scope of proper discovery.

4. *Describe any ownership interest in any business that PAI has held at any time during the period from January 1, 1998, to the present, and, for each such business, provide the dates of operation.*

Answer: Insofar as relevant to the issues designated in this proceeding, PAI's sole business activity at all relevant times has been to pursue geographic licenses for 800 MHz Specialize Mobile Radio ("SMR") systems and to construct and operate such systems in various markets throughout the country.

5. *State whether PAI has filed federal income tax returns for each year between January 1, 1998, and the present. If not, explain fully why not.*

Objection: The Interrogatory thus seeks information that is neither relevant to this proceeding nor likely to lead to the production or preservation of admissible evidence. It is therefore beyond the scope of proper discovery.

Answer: Austin has at all relevant times (including the present) had full authority and responsibility with respect to the preparation and filing of FCC submissions by and on behalf of PCSI and PAI. To the best of Austin's recollection, the following individuals and firms have, from time to time, assisted or advised in such matters: (a) Michelle Bishop; (b) Linda McClain; (c) Pendleton C. Waugh; (d) Charles Guskey; (e) Brown, Nietert & Kaufman; (f) Charles J. Ryan III, Esq.; PO Box 4782; Upper Marlboro MD 20775; Tel. 301-249-3010); (g) Patton Boggs, LLP; 2550 M Street NW; Washington DC 20037; Tel. 202-456-6000; (h) Rini, Coran & Lancellotta (1615 L Street NW Suite 1325; Washington DC 20036; Tel. 202-296-2007); and (i) CTO, i.e., Concepts-to-Operations, Inc. 30. *State whether Pendleton C. Waugh has ever participated in preparation, filing, or assisting in preparing and filing, of Documents on behalf of PAI with the Commission. If so, explain fully such participation.*

Answer: No.

31. *Identify all individual(s) that have ever prepared Documents containing the phrase "action items" on behalf of PAI. Provide a general explanation of the content of each such Document.*

Objection: The term "action items" is a generic, ubiquitous term, particularly in business and management settings where it is used on all sorts of documents, both formal and informal, including, but

not limited to, to-do lists, agendas, meeting notes, memoranda, etc. See, e.g., the entry on the term in Wikipedia: [http://en.wikipedia.org/wiki/Action\\_item](http://en.wikipedia.org/wiki/Action_item). Accordingly, the request is overbroad, and responding to it would be unduly burdensome. Moreover, due to the virtually unlimited scope of the interrogatory, much of the requested information is likely neither relevant to the designated issues nor likely to lead to the production or preservation of admissible evidence. It is therefore beyond the scope of proper discovery.

32. *State whether Pendleton C. Waugh has ever prepared Documents containing the phrase "action items" on behalf of PAI. If so, explain fully such participation.*

Objection: The Objection to Interrogatory No. 31, above, is incorporated herein by this reference.

33. *Identify all individual(s) that have ever prepared, or assisted in preparing, correspondence or other materials to investors on behalf of PAI. Provide a general explanation of the content of each such Document.*

Objection: This request is overbroad and unduly burdensome. It calls for information regarding virtually anyone who has had any role in preparing—or merely assisting in preparing—correspondence with investors over a ten year period. Responding would therefore be unduly and unnecessarily burdensome. Moreover, due to the virtually unlimited scope of the interrogatory, much of the requested information is likely neither relevant to the designated issues nor likely to lead to the production or preservation of admissible evidence. It is therefore beyond the scope of proper discovery.

Notwithstanding and without waiving this objection, PAI voluntarily offers the following limited response.

Answer: PAI has at all relevant times (including the present) had full authority and responsibility with respect to the preparation of such materials.

34. *State whether Pendleton C. Waugh has ever prepared, or assisted in preparing, correspondence or other materials to investors on behalf of PAI. If so, explain fully his involvement.*

Objection: The Objection to Interrogatory No. 33, is incorporated herein by this reference.

Answer: The Answer to Interrogatory No. 33, above, is incorporated herein by this reference.

35. *Identify all individual(s) that have ever been responsible for negotiating with other parties on behalf of PAI, such as in contracts, investment agreements, and/or legal proceedings.*
